PERMISSION SLIP

2017

Dear Parents,

In accordance with the Department of Education Policy, parental permission is required for the use of still photographs and video footage of students for newsletters, web pages, electronic media or other documents relating to school matters. This permission slip would allow us to use children's photos, where appropriate for the 2017 school year. Some photographs may also be used in documents after your child has left the school.

Thank you,

Elisebeth Webster
